WHERE CAN I GET INFORMATION? Do you have questions about campus activities or about things to see and do in Toronto? If so, drop into the Information Centre and ask Mrs. Deane or pick up brochures. You will see signs in the main hall of Hart House pointing to it. Members of your Students' Committee, too, who can be identified by their name cards, will be glad to answer your questions. Your Summer Students' Handbook is another good source of information. If your copy has not yet arrived by mail, get one free at the Information Centre. Also, watch the bulletin boards, and don't forget to use the students' notice-board in the Information Centre. It is handy if you want or can offer daily transportation or a weekend ride, and for other "personal" notices such as lost and found. For information on places to stay, visit the Housing Service in the Students' Council Building.

GET ACQUAINTED ON THURSDAY EVENING. A special evening of entertainment, punch, and casual conversation is being held this Thursday for all summer students. Come and get acquainted with your fellow summer students, and see what facilities are available in Hart House. After the special program of entertainment, featuring Paul Kligman, there will be dancing for those who are interested.

NOON-HOUR CONVERSATION WITH PERCY SALTZMAN. The well-known jovial TV weatherman, of "Tabloid" and "701" fame, will be on campus this Friday. Prof. Marcus Long will interview Percy Saltzman in the Hart House quadrangle at 12:00. Bring your lunch to this noon-hour conversation, if you wish, and join the relaxed crowd.

ATHLETICS. The men's swimming pool in Hart House and the women's pool in the Benson Building are open now for refreshing dips. Both pools are open daily from 11:00 till 8:00 with certain exceptions. See your Handbook for details. It also describes the other facilities and activities, such as basketball, track, squash, weight-lifting, and life-saving for the men, and golf, tennis, and Gymnastics for Flexibility for the women.

WOMEN'S LOUNGE. New facilities for women have been made available this summer in University College. Just down the stairs inside the east door (near Hart House) are several cool lounges (including a few study tables), a kitchenette, and lockers. These lockers might be handy for leaving umbrellas, coats, and books while on the compus. Mrs. Deane in the Information Centre has the keys.

STRATFORD FESTIVAL. You can buy your tickets right on campus for the Tely tours to Stratford. These inexpensive package tours include an air-conditioned train trip there and return, ticket to the performance, and dinner. Get folders and sign for tickets at the Information Centre. The first tour is The Tempest next Tuesday.

BOOKS, BOOKS, BOOKS! To buy new books, visit the U. of T. Book Store, which is staying open this week till 5:30 each afternoon. To buy secondhand books, or to sell your used textbooks, visit the Student Book Exchange, behind 119 St. George St. (near Bloor). To borrow books, visit the University library. Tours are being held daily at 11:00 and 3:00 to help you find your way around. Their free yellow booklet called "A Student's Guide" is also helpful.
